## Description

Do you remember accidentally doing belly flops off the high dive or at least laughing at someone else that did it? The memories of those mistakes often stayed with us the next time we were faced with an even greater, possibly life-altering decision. These days, the freedom to make bad decisions are disappearing right and left. When's the last time you even saw a high dive at your local pool. So grab a t-shirt or hoodie, and go touch some fire, damned be the voice of those pansy authorities!

## Material & Construction

- Regular fit
- Pullover hood, inset sleeves, kangaroo pocket
- Heavy weight, 10.3 oz/yd<sup>2</sup>
- 80% cotton 20% recycled polyester anti-pill fleece
